

2025 KMOU Academic Departments and Conditions for Incoming Exchange Student Program

No.	Faculty	Department	Detailed Major	Restriction
1	Maritime Sciences	Marine System Engineering	Marine Engine and Advanced Materials	- Courses are taught in English : Yes - Fluent of Korean language OR English Language
2	Ocean Science and Engineering	Naval Architecture and Ocean Systems Engineering	Naval Architecture and Ocean Systems Engineering	- Fluent of Korean language
3	Ocean Science and Engineering	Energy & Resources Engineering	Energy & Resources Engineering	- Fluent of Korean language
4	Ocean Science and Engineering	Architecture and Ocean Space	Architectural Space Design	- Currently study fields similar at their home university - Fluent of English language OR Korean language(TOPIK Level 3 or above)
5	Ocean Science and Engineering	Architecture and Ocean Space	Architectural Engineering for Disaster prevention	- Currently study fields similar at their home university - Fluent of English language OR Korean language(TOPIK Level 3 or above)
6	Ocean Science and Engineering	Convergence on Marine Science	Ocean Science	- Fluent of Korean language(TOPIK Level 4 or above)
7	Ocean Science and Engineering	Convergence on Marine Science	Marine Biotechnology	- Courses are taught in English : Yes
8	Ocean Science and Engineering	Convergence on Marine Science	Aquatic Bioscience	- Fluent of Korean language(TOPIK Level 4 or above)
9	Ocean Science and Engineering	Ocean Advanced Materials Convergence Engineering	-	- Fluent of Korean language(TOPIK Level 3 or above)
10	Ocean Science and Engineering	Electronics and Electrical Information Engineering	Electrical and Electronics Engineering	- Fluent of Korean language(TOPIK Level 3 or above)
11	Ocean Science and Engineering	Electronics and Electrical Information Engineering	Electronics and Communications Engineering	- Fluent of Korean language(TOPIK Level 3 or above)
12	Ocean Science and Engineering	Electronics and Electrical Information Engineering	Nano-Semiconductor Engineering	- Fluent of Korean language(TOPIK Level 3 or above)
13	Ocean Science and Engineering	Electronics and Electrical Information Engineering	Radio Communication Convergence Engineering	- Fluent of Korean language(TOPIK Level 3 or above)
14	Ocean Science and Engineering	Electronics and Electrical Information Engineering	Data Science	- Fluent of Korean language(TOPIK Level 3 or above)
15	Ocean Science and Engineering	Artificial Intelligence Engineering	Intelligent Control System Engineering	- Fluent of Korean language(TOPIK Level 3 or above)
16	Ocean Science and Engineering	Artificial Intelligence Engineering	Computer Engineering	- Fluent of Korean language(TOPIK Level 3 or above)
17	Ocean Science and Engineering	Logistics System Engineering	Logistics System Engineering	- Courses are taught in English : Yes - Fluent of English language OR Korean language(TOPIK Level 3 or above)

No.	Faculty	Department	Detailed Major	Restriction
18	Ocean Science and Engineering	Environmental Engineering	Environmental Engineering	- Fluent of Korean language(TOPIK Level 3 or above)
19	Ocean Science and Engineering	Civil Engineering	-	- Courses are taught in English : Yes - Fluent of English language OR Korean language(TOPIK Level 4 or above)
20	Maritime Humanities & Social Sciences	Shipping Management	Shipping Management	- Courses are taught in English : Yes
21	Maritime Humanities & Social Sciences	Shipping Management	Shipping Management Information Systems and Finance	- Courses are taught in English : Yes
22	Maritime Humanities & Social Sciences	Maritime Law	Law	- Fluent of Korean language(TOPIK Level 5 or above)
23	Maritime Humanities & Social Sciences	Maritime Law	Maritime Law	- Fluent of Korean language(TOPIK Level 5 or above)
24	Maritime Humanities & Social Sciences	International Trade and Economics	International Trade	- Fluent of Korean language(TOPIK Level 3 or above)
25	Maritime Humanities & Social Sciences	International Trade and Economics	Economics and Finance	- Fluent of Korean language(TOPIK Level 3 or above)
26	Maritime Humanities & Social Sciences	Maritime English Language and Literature	Maritime English Language and Literature	- Courses are taught in English : Yes - Fluent of Korean language OR English Language
27	Maritime Humanities & Social Sciences	East Asian Studies	East Asian Studies	- Fluent of Korean language(TOPIK Level 3 or above)
