

Directions to the Training Pharmacy or our offices

Via Main Entrance Uni Mitte

From the barrier at the main gate, drive straight through the roundabout (2nd exit), turn left at the intersection after the Campus Center (large glass building), and follow the priority road (turn right) until you pass the construction site on the right. Turn right immediately after the Mensa bus stop. Parking is available on the left. Then continue on foot, passing the black building with many windows (C2 3). It's best to turn right into the dead-end street, and at the end of the dead-end street, turn left before the stairs. Go through the two glass doors and up one floor (floor -1) and through the glass door again. The Training Pharmacy is on the right.

Via Entrance Uni Ost

From the direction of HIPS and CISPA, follow Stuhlsatzenhausweg straight until you see the Mensa bus stop on the left (behind it is a black building with many windows (C2 3) and a construction site). Turn left immediately before the bus stop, parking is available on the left. Then continue on foot, passing the black building with many windows (C2 3). It's best to turn right into the dead-end street, and at the end of the dead-end street, turn left before the stairs. Go through the two glass doors and up one floor (floor -1) and through the glass door again. The Training Pharmacy is on the right.

On foot from the Campus Center

Walk straight towards the Chemistry and Physics Tower (to the end of the dead-end street). The library and the physics building are on the right. It's best to turn left into the chemistry building (C4 3), then keep right in the building until glass doors lead to building C4 1 on the right. Go through the glass door, then left through the glass door into the stairwell and go down one floor (floor -1), and through the glass door again. The Training Pharmacy is on the right.

On foot from Parking Garage Ost

Walk straight towards the Mensa until you see the Mensa bus stop on the left and a black building with many windows (C2 3). Turn left immediately before the bus stop and pass the black building with many windows (C2 3). It's best to turn right into the dead-end street, and at the end of the dead-end street, turn left before the stairs. Go through the two glass doors and up one floor (floor -1) and through the glass door again. The Training Pharmacy is on the right.
