2.3 Accepting the offer of admission issued by *hochschulstart*

Students who wish to apply for admission to one of the nationally administered restricted-entry degree programmes in **Medicine**, **Pharmaceutical Science** or **Dentistry** or to one of the locally restricted-entry degree programmes **Psychology** or **Biology** must submit their application for admission online using the dialogue-oriented service procedure (DoSV), which can be accessed via the internet platform *hochschulstart* operated by the University Admissions Foundation (SfH). Information about the DoSV procedure is available on the website <u>www.hochschulstart.de</u>. To be able to use the online DoSV application procedure, you must first complete the registration process at www.hochschulstart.de. The registration process requires that you enter relevant personal details. Once your registration is complete, you will be issued with an applicant ID (BID) and an applicant authentication number (BAN).

Note: Please note that you are not permitted to register more than once. If you registered for the DoSV procedure in a previous year, please use the user name and password from your earlier registration. If you have forgotten your earlier user name or password, the online registration window has links for requesting a new DoSV user name and/or password. Once registration is complete, you will be sent an email with further information. You can then log in at <u>www.hochschulstart.de</u> and begin using the DoSV service.

2.3.1 Nationally administered restricted-entry degree programmes (Medicine, Dentistry, Pharmaceutical Science)

If you have received an offer of admission from *hochschulstart*, your first step is to notify *hochschulstart* that you are accepting the offer. You will then be issued with a letter of admission from *hochschulstart*. Once you have the letter of admission, you can enrol at Saarland University. To begin the enrolment process, log on to the SIM application portal to access your start page. Now click on the tile 'I have a letter of admission from *hochschulstart*':

(Note: The tile is only visible on your start page during the relevant enrolment period.)

You will then see the following window. Enter your applicant ID (BID) and applicant authentication number (BAN) that you received from *hochschulstart*.

Note: You may experience a delay while the system processes your selection. Please be patient and do not cancel your application.

	If you have already received a letter of admission from hochschulstart, you can use the following questionnaire to enrol for the state-examined degree programmes in medicine, dentistry or pharmaceutical science.	
	It is absolutely essential that you have already applied to hochschulstart.de for a place to study medicine, dentistry or pharmaceutical science.	
	Applicants who have foreign education credentials from a country outside the EU/EEA and who are not considered equivalent to German applicants (in terms of the relevant admissions regulations) must apply using the questionnaire in the previous window 'Application (outside EU): medicine, dentistry, pharmaceutical science'.	
	Please click Next to continue.	
		(

After entering your BID and BAN, click on Next to accept your place on this degree programme.

Please complete the questionnaire and then submit your enrolment application.

Note: Simply accepting your offer of admission will **not automatically enrol** you at Saarland University. Your initial acceptance of an offer of admission is a provisional acceptance. To finalize acceptance of a place on a degree programme, you must complete the enrolment process within the specified enrolment deadline.
